Introduction

The background of the slide features a minimalist design with teal-colored geometric shapes. Two large triangles, one on the left and one on the right, point towards the center. These triangles overlap at the bottom, creating a darker teal triangular area. The top half of the slide is a solid white background.

Findings

The background of the slide features a large, abstract geometric design. It consists of two large teal triangles that meet at a point at the bottom center, forming a V-shape. The top of the slide is white, and the teal color is a deep, muted blue-green.

Conclusion

The background of the slide features a minimalist design with teal-colored geometric shapes. Two large teal triangles point upwards from the bottom corners, meeting at a central point. Below this meeting point, a smaller, darker teal triangle points downwards, creating a central negative space where the text is located.
